REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the claims are allowable over prior art of record, because none of the references in alone or in combination discloses:

**An arrangement for displaying images of a scene or object
comprising:**

- an image display device comprising a multitude of light-transmitting image rendering elements;
- a plane wavelength filter array, which is arranged behind the image display device;
- a controllable illuminator providing at least two modes of operations: first mode and second mode of operation; and
- a diffuse illuminator in the second of operation. All the limitations detail is arranged as disclosed in claim 1.

The Doerfel et al reference is closest reference, but does not disclose the underline limitation.

The Tzschoppe et al. reference is invalid the filling date.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
